

EABC Board of Directors Candidate

Name: Mr. Nicholas Bellamy

Company: KPMG Phoomchai Audit Ltd.

Contributions to EABC

I have been a member of the EABC Cross Sectoral Issues Working Group since its inception, and a Board Member since 2016. I have worked in Thailand for more than 20 years and have experience of a broad range of businesses.

Since joining the Board, I have become more aware of the achievements and value of the EABC to its members, and I believe that this can be enhanced further by continued focus on the Working Groups and improving communications and collaboration with members and other stakeholders.
