I have served on boards of private companies and of non-profit organizations in Italy, Singapore and Thailand. My goal is to provide high quality advice, guidance and oversight that is independent, objective and relevant, and in addition to provide hands' on expertise in specific areas as needed. This requires a time commitment which I am prepared to make also in this situation.

During my career, I have dealt with companies both big and small, financing them, advising them, and assisting with strategic changes. I have also worked for companies both big and small. I am currently the General Manager of Felicia (Thailand) Ltd.; a Board Member and the Treasurer of The Foreign Correspondents Club of Thailand (FCCT); a member of Mensa International.

My career began with Continental Bank, first in Chicago and then in Milan, where I was responsible for manufacturing companies of all sizes. In Milan, I joined Standard Chartered Bank (SCB) as Head of Risk Management, then moved to London for a special assignment with the Chairman/CEO of SCB, before moving to Bangkok, as Deputy Country Manager with specific responsibilities for corporate banking.

After 14 years in banking I established Compass International, an international advisory firm, working in several Asian countries and in New York for more than 12 years. In 2010, I moved to Singapore as Director of Finance at the LKY School (National University of Singapore), then became VP Strategy for Wellfirst (US-based corporation).

I am an Italian citizen. I have a BA cum Laude from the University of Connecticut and a Master's with Distinction from Johns Hopkins University (SAIS).
